

Tenure-Track Faculty Positions of Physics

The Department of Physics at National Sun Yat-sen University, Kaohsiung, Taiwan, is seeking to fill several faculty positions at all levels. The preferred areas of specialties, theoretical, computational, and experimental, will be on Quantum Matters, Quantum Computing, Quantum Optics, Astronomy, Cosmology, and other frontier fields of physics. Demonstration of team-spirits, pedagogical inspirations, and abilities to establish sustainable research programs are essential to the qualifications. The expected starting date is 02/01 or 08/01/2022. Candidates should have a Ph.D. in physics or closely-related fields, show convincing interests in mentoring students and be able to teach physics core courses at all levels, many of which lectured all in English. Some postdoctoral experience at international institutions is preferred for junior-rank applicants. Please have CV, list of publications, brief plans of research and teaching, and at least three letters of recommendation sent to Ms. Yu-Ching Hsu at physaa@mail.nsysu.edu.tw. Applications will be reviewed as they are received according to the following three deadlines: 09/30/2021, 10/30/2021 and 01/28/2022.
